RE: Change in Ownership of Water Right No. 29-307a

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

- **Evidence of Water Right Ownership:** copy of Deed, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question.
- **Legal Description of Property**

I also found water right 29-285i has the same place of use. I have enclosed water right reports for each water right. To add this water right to your notice, submit the fee of \$25.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
