Darla, My name is Fred Martin and we spoke about an email,see below.....

Dear Mr. Martin ,

I am in receipt of the title report you sent me on June 13, 2011. This report does not describe the property of water right permit #96-9317 for which Panhandle State Bank has filed proof of beneficial use. More specifically, a document which shows the legal description containing the Township, Range, Section and quarter quarter of the property you obtained from Damon Arnett would be more useful. However, there may not be a need for such a document.

Sincerely,

Darla Block

The bank is now giving the well lot and the wells to the home owners association and need an update on the communication you had with Damon Arnett. Is there any need for the bank to to file any forms or pay any fees to make this transfer? Please call me at 208 277 6904 on a few other questions i have when you have time.

Thank you for you assistance in this matter,

Fred Martin
