Nick,

This application will be scanned soon and available for you to take a look at. It involves correcting the place of use and one of the pods on Bayhorse Creek, right 72-4077. I have attached a copy of my memo. Since we won't need to advertise this one, it can probably be approved soon after we receive your comments. Thanks,
Jeanie Robertson

Watermaster:

A copy of the above referenced application is enclosed. Please review the application, then complete the enclosed recommendation form and return it to this office within 21 days of the date of this letter.

IDWR's regional offices can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered during regional review. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.

Sincerely,
