RE: Water Supply Bank Lease for 37-22328

Dear Lessor:

This letter is to update you on the status of your water right 37-22328 for irrigation from ground water in Blaine County. This water right has been leased to the Bank in its entirety since July 6, 2004. 2009 aerial photography indicates irrigation is occurring on the authorized place of use. **Your water right from ground water is considered leased into the bank, and should remain unused, until you release it from the Bank.**

If you wish to leave your water rights leased to the bank, and unused, you do not need to do anything. To release your water rights from the bank, go to the following url, complete the form and mail it: [http://www.idwr.idaho.gov/RulesStatutesForms/WaterRights/PDFs/Water\\_Bank\\_Release\\_or\\_Extension.pdf](http://www.idwr.idaho.gov/RulesStatutesForms/WaterRights/PDFs/Water_Bank_Release_or_Extension.pdf). It is possible you are utilizing a water right from surface water. If you are doing so, please contact us and let us know so we can update our records.

Again, your water rights are considered leased to the bank, and should remain unused, until you release them. Please contact me at (208) 287-4907 or [Monica.vanbussum@idwr.idaho.gov](mailto:Monica.vanbussum@idwr.idaho.gov) if you have any further questions.

Sincerely,

Monica Van Bussum  
Sr. Water Resource Agent
