RE: Water Supply Bank Lease for 37-22655 and 37-22656

Dear Lessor:

This letter is to update you on the status of your water rights 37-22655 and 37-22656 for irrigation from ground water in Blaine County. 13.0 acres of irrigation had been leased to the Bank under water rights 37-20804 and 37-22327 since July 6, 2004. With the recent approval of Transfer 75337, which split the water rights into 37-22655 and 37-22656, only the acreage under 37-22655 remains leased to the Bank. **37-22655 is considered leased into the Bank, and should remain unused, until you release it from the Bank.**

37-22656 is no longer considered leased to the Bank. The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the Bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

If you wish to leave 37-22655 leased to the Bank, and unused, you do not need to do anything. To release your water rights from the Bank, you can download the release form on the Forms section of our website.

Again, 37-22655 is considered leased to the Bank, and should remain unused, until you release them. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
