Re: Review of Application to Rent a Water Right from the State Water Supply Bank

PURPOSE/NARRATIVE: In August 2011, we received an application to rent water from Mike Telford of Telford Lands. He was told by IDWR's Eastern Regional Office that, to complete a pump test in the Big Lost River basin, he needed a rental from the Water Supply Bank. Since Mike was already leasing some acreage to the Bank, we have been able to satisfy his rental with his own water rights.

The applicant's attorney provided an ESPA model run showing no mitigation is required.

AUTHORITY TO FILE: The application was signed by the applicant's attorney Robert Harris, who has power of attorney.

WATER RIGHT VALIDITY: The water rights were recently accepted into the Water Supply Bank and are valid to rent.

INJURY TO OTHER WATER RIGHTS: No injury is apparent.

ENLARGEMENT OF USE: Proper conditioning of the rental protects against enlargement.

LOCAL PUBLIC INTEREST:

Review staff has no information to suggest this application is inconsistent with the local public interest.

BENEFICIAL USE/CONSERVATION OF WATER RESOURCES:

The rental appears to be consistent with conservation of water resources in Idaho.

DEPARTMENT STAFF OR WATERMASTER COMMENTS:

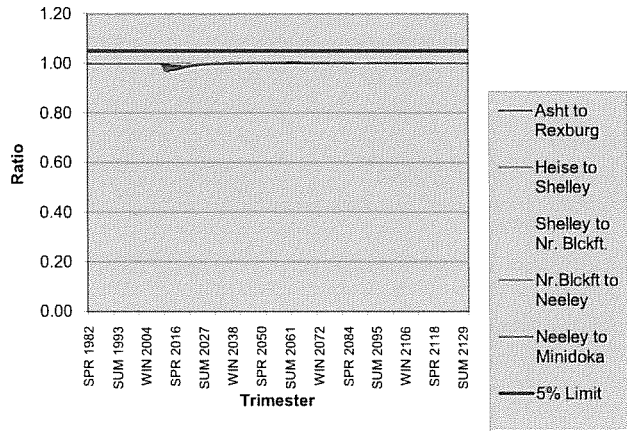

The watermaster for the leased rights in Basin 36 (WD 130), Cindy Yenter, indicated no concerns. The watermaster for the area of the rental in Basin 34 (WD 34), Roger Totten, indicated no concerns.
