

MEMORANDUM

TO: Water Right File #97-7472

FROM: Darla Block

DATE: August 11, 2011

SUBJECT: Refund, and Who to Send it to.

On January 6, 2009, a water right license was issued in the name of Priest River Land Company. On June 8, 2011, Priest River Land Company filed an Assignment of Permit along with a check for \$25.00 to change ownership back into the name of JD Lumber Inc.

On July 7, 2011, the department sent a letter to Priest River Land Company informing them that their water permit has become an active water right license which requires a Notice of Change in Water Right Ownership form to complete an ownership change.

The department returned their original assignment of permit form, enclosed a Notice of Ownership Change form with instructions, and explained that the \$25.00 fee already paid could be re-applied once the department was in receipt of a completed ownership change form.

Since the department has not received a completed Ownership Change form, I requested that the department's fiscal section issue a refund in the amount of \$25.00 to:

PRIEST RIVER LAND COMPANY
PO BOX 220
LACLEDE ID 83841.

Note: It was not clear to me who to send the refund to. I made several attempts to contact someone at the only phone number of record with the department, but my calls would fail to go through. I was continually cut off.

The payer of the \$25.00 fee was Idaho Forest Group. I found an address for Idaho Forest Group by searching the IDSOS Business Entity Search. There is a member listed by the name of Scott Atkison, which could be the same person that signed the Assignment of Permit form.

I don't know how Idaho Forest Group is affiliated with Priest River Land Company. If the refund check comes back to the department, I recommend re-issuance of the \$25.00 refund to Idaho Forest Group. Attached is the latest annual report printed from the IDSOS website, which shows an address for Idaho Forest Group.
