RE: Change of Ownership for Water Right 65-13743

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Water right 65-18051 is also appurtenant to your property. I have enclosed the water right report for that right as well. If you would like to add that water right to your notice, submit the \$25 fee, and I will update the ownership of that right.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
