

CONVERSATION MEMORANDUM

TO: Water Right File No. 63-33335

FROM: Darla Block

DATE: August 9, 2011

SUBJECT: Telephone Conversation with Permit Holder

This morning I received a telephone call from Dick Symms of Symms Fruit Ranch Inc. Mr. Symms informed me that he just paid the well upgrade fee in July of this year. He has not been able get the well drilled yet, and wanted to know what it is that he needs to do.

I explained the water right process, and informed Mr. Symms that his permit lapsed on July 2nd since the department had not received a statement of completion form, or request for extension of time form. I also informed Mr. Symms that the 60 day deadline for filing a request for extension of time is September 9th, 60 days from the date the lapse notice was sent out.

Mr. Symms requested that I fax him a Request for Extension of Time form, which I did as soon as we hung up the phone.
