Dear Monica:

I've enclosed five applications to lease water rights to the Water Supply Bank. I believe they are filled out correctly, and we've enclosed the appropriate maps and a check in the amount of \$1,250. You will notice that we reserved the stock water as well as .02 cfs for irrigation purposes. Please let me know if you need any further information.

We understand that these water rights are protected from forfeiture while they are in the Water Supply Bank.

Thanks for your help on the phone yesterday.

Sincerely,

Mary Ellen Pugh
