RE: Notice of Change in Water Right Ownership for Water Right 79-7089

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for right no. 79-7089. The department will need more information before processing your notice.

The place of use as described on the water right license is in the SW¼SE¼ and SE¼SE¼ of Section 13, Township 26N, Range 1E. Parcel I as described in Exhibit A, indicates that the parcel is in the SW¼SE¼. The place of use is for a powerhouse. To assist us in determining the location of the powerhouse, could you provide us the GPS location of the powerhouse or a copy of the as-built plan for the project?

I have enclosed a map which depicts the location of water right 79-7089 and the location of parcel 1 as described in the deed. Also enclosed is a copy of the place of use photos that were taken on September 14, 1992.

I will hold the notice for 30 days to allow you time to respond to my questions. If you have any questions, you may reach me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
