RE: Water Right 79-7089

Dear Mr. Turnlund:

The Department of Water Resources is in receipt of a Notice of Change in Water Right Ownership for water right 79-7089. The place of use as listed on the water right license includes the SWSE and SESE of Section 13, Township 26N, Range 1E. Tax lot data indicates that you own the property in the SESE.

The water right license was issued for a power project. I have enclosed a copy of the water right license for your convenience. The new owner of the property pointed out that the power house is on their property and is located solely in the SWSE.

The Department is asking that you confirm that there is no water use for power purposes on your property located in the SESE of Section 13, Township 26N, Range 1E. You can either confirm this by letter or email. My email address is emalee.rushing@idwr.idaho.gov. Please respond within 15 days.

If you have any questions, you may reach me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
