Re: Change of Ownership for Water Right/Permit No(s): 77-2035

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The Department is holding the request for Change of Ownership for Water Right No. 77-2205 pending a motion in the SRBA Court to set aside and amend the partial decree, which was filed by William Collins on November 17, 2010. The Department will change the ownership when we received the Amended Decree.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you again for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

Jean Hersley
