RE: Change of Ownership for Water Rights 45-2258, 45-2435, 45-2690, 45-10218, 45-13596,
45-13597, and 45-13598

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

It appears a division of each water right is required as the deed you submitted only intersects with 297 acres of the 303 acre place of use for each water right. I have enclosed a water right report for one of the water rights. On the report, I've noted the location of the acres not covered by the deed submitted (Instrument # 2010-019733). If you have additional deeds which cover the excepted portions listed on your deed, send a copy of those deeds and we will complete the ownership change.

The fee to change the ownership of a water right is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices must include the appropriate filing fees in order to be processed. If a division of the water right is required, submit an additional **\$525**, and we will complete the ownership change.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
