RE: Change of Ownership for Water Right 29-2462D

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

Regarding Lot12R, since the deed submitted is a quitclaim deed, the Department will need a chain of title back to Thomas Summers.

The names listed on the Notice of Change in Water Right Ownership only list Douglas B. Guthrie and James K Guthrie, Sr. The current water right holders will be all individuals named on the deed. Also, it does appear that a division of the water right should occur. Lot 11R has 2.7 acres of irrigation and Lot 12R has 4.8 acres of irrigation. I have enclosed a copy of the map which shows the irrigated area. The fee to divide the water right is \$100 and the balance due would be \$75.

Please let the Department know how you would like to proceed. If you would like all 4 names listed on the water right and do not want the water right divided, write a letter explaining the situation and submit it along with the chain of title for Lot 12R.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
