RE: Notice of Change in Water Right Ownership No(s): 51-113, 51-2213A, 51-2089A & 51-10149 for Winter Grazing LLC

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional fees are required before we can process the change.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is **\$25 per water right** for water rights that have been decreed in the SRBA, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be an additional \$25.

Because the Department cannot process the Notice of Change of Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter at 334-2190.

Sincerely,
