RE: Coeur d'Alene-Spokane River Basin claims 94-7339 and 94-7358

Dear Pam,

I am returning the documents that you supplied to the Department on June 28, 2011. You had intended to accomplish a change of water right ownership and an assignment of a water right permit. However, those were not the correct processes for your water right situation.

I understand that Mr. Fritschle was able to assist you with filing claims for the above water rights and that the fees you provided earlier were applied to the claim fees. Our records show that your claims for 94-7339 and 94-7358 and the full fee to process them have been received.

Sincerely,
