Subject: Transfer of Funds to NIA Account for 94-7339 and 94-7358

Hi Debbie,

North Idaho Mountain Brew filed an assignment of permit for water right 94-7339, and a change of ownership for water right 94-7358. Both of these rights required claims in the CSRBA. We now have those claims, and I am requesting that the \$25.00 from receipt C093486 be transferred as payment for a portion of the claim fee for 94-7339. Likewise, if you could transfer the \$25.00 from receipt C093487 as payment for a portion of the claim fee for 94-7358, it would really be appreciated.

Thank you,

Carter
