RE: Application for Transfer No. 77356

Dear Mr. Merrill;

Just a quick note to remind you, we are in the process of completing your transfer request on water right No. 13-57. In order to continue processing the transfer request, we need documentation showing the sale of the land included the water right.

In most cases a copy of the deed from the county showing the change in ownership will suffice. If you could get a copy of the deed from the county we can continue processing the requested change.

If you have any additional questions please feel free to contact the office.

Sincerely,
