I'm not sure if I'm for or against. I'm not sure what to say. I'm against, but legally maybe shouldn't be. I hate water leaving my district. I have concerns that they want to change everything; Time of use, Delivery, change use, etc. I'm not sure, but they say they want shrink free from the Chesterfield Reservoir to Pocatello. If I was a water user below Cutler Dam, (200+) I would be fighting. My biggest problem is how to measure the water. I know this is stored water. Maybe this is to personal for me. I'm not sure. Maybe things could be worked out with a little give and take.
