NOTICE TO RESUME WATER USE

Re: Water Right No. 37-22593

Dear Applicant:

On June 7, 2007, the department approved your Application for Extension of Time to Avoid Forfeiture for water right no. 37-7482. The department granted the request for the irrigation of 142 acres. Since that time, you submitted an application for transfer which split this water right into 37-22593 and 37-22592, with 37-22593 being the portion of the water right for which you requested an extension of time to avoid forfeiture.

One condition of the approval was that diversion and use of this water must resume on or before October 1, 2011. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
