Hi Greg,

I've scanned exhibits A through D from the Water Supply Bank lease applications you submitted for Murphy Flats Water Company. I have circled the areas I find a little problematic (i.e. offered acres do not match water right, there should be offered acres in the QQ). I'll need these discrepancies cleared up before I can begin processing the applications. As always, I can give you 14 days. Please call if you have questions. Thanks!

Monica
