**Subject:** M3 Eagle/City of Eagle, application no. 63-32573 -- Request for new dates for Prehearing Conference

Hello,

Thank you for everyone's prompt responses to my July 11 letter. It appears October 18-20, 2011 will work for the hearing, at this time. I will provide everyone a notice when all dates are established. The October hearing dates will be based on when the prehearing conference is held.

However, and the reason for this email, I cannot schedule the Prehearing/Status Conference for August 9 because not everyone is available that day. I ask that you check your calendars and let me know if you are available any of the following days: Aug. 3, 4, 29, 31, or Sept. 1, 2.

I am anticipating scheduling the prehearing conference for a maximum of 1 to 2 hours. Please respond to me with all the days that you are available, within the days I am providing. If you are available only a partial day let me know when that is too.

Please provide your responses to me either tomorrow or Friday (7/22) at the latest. With your responses I would appreciate everyone copying their message to the other parties. I am providing email addresses for Lori Anderson, Jeff Fereday's assistant, and Cathy Minyard, Bruce Smith's assistant so that they may be kept in the loop too. Any documents filed with the Department in this matter must also be provided to all parties. Attached to this email is a service list for your information for this purpose.

Thank you.
