Address for:

Donald Basso
56 Deer Trail
Garden Valley ID 83622

I am sending him a proof form in the mail this afternoon. He called the office wondering why he hadn't received his proof notice/form. The address you sent the form to in Benicia, California is not him... I also printed off the proof due notice that was scanned and will send that with his form. Please put note in file about the address change. Kay
