Attachments: Grossen 67-15030 Calendar.pdf

Hello Denise,

Attached is a calendar indicating Tom and Norma Grossen's available dates for a pre-hearing conference on their application for permit 67-15030. Please notice that only November is included. The Grossen's explained to me that September and October are very difficult months for them due to their farming operations and November is much better. However, if calendars you received from the other parties conflict with Grossen's available dates, please let me know as we may be able to open up a date in October.

Have you received calendars from all parties?

Thank you very much,
Scott
