RE: Change of Ownership for Water Right Nos. 36-12514, 36-12515, 36-12516,
36-16621

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

As you noticed, water right 36-12513 was not changed at this time. The place of use for this right is Township 09S Range 25E Sec 6 NWNE was not conveyed on the Warranty Deed. I have requested the fee (\$25) to be returned to Land Title and Escrow Inc. If you have additional paperwork conveying this right please feel free to re-submit it to the Department.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn

Clerk
