RE: Change in Ownership Water Right No. 31-2430

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** Filing Fee of \$100 per water right for changes resulting from division of a water right

**** Evidence of Water Right Ownership: copy of Deed, Title Policy, or other legal document indicating your ownership of the property and/or water rights in question **If you believe you own the acres in question please submit a copy of legal documentation indicating your ownership.**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. According to your Warranty Deed there is a 2.6 acre exception (map enclosed). The water right is for 40 acres within the SESW Quarter of Section 10, Township 8 N Range 33 E and according to your legal you own only 37.4. Please provide either the additional filing fee or documentation of ownership.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The department acknowledges receipt of \$25.00 found under receipt number E036590, however an addition \$75.00 dollars is required for a division of the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

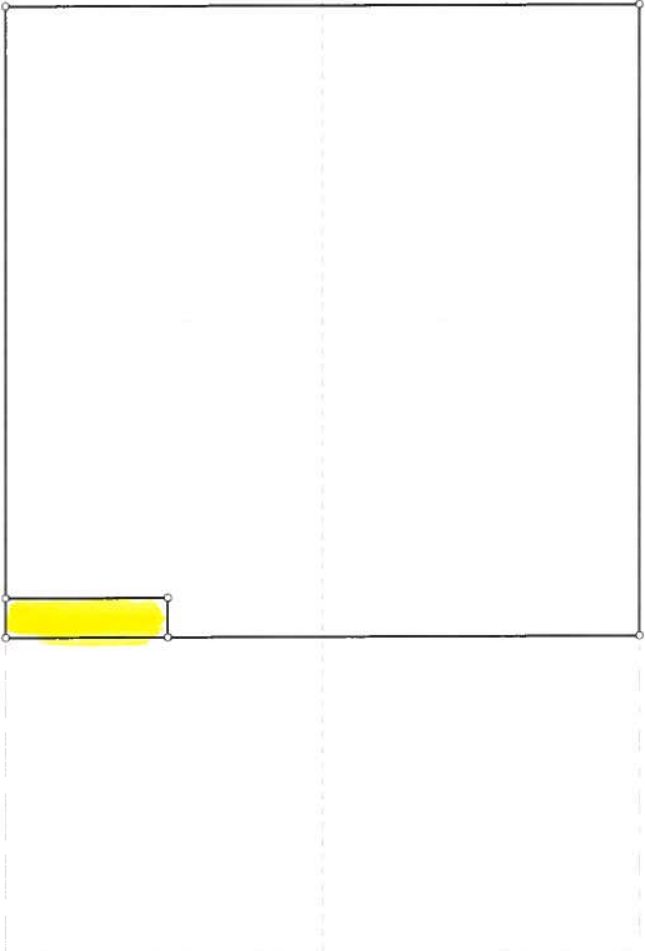

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bartz
Technical Records Specialist
