Subject: Amended Application for Permit No. 63-32703  
Amended Application for Transfer No. 73834 ✓

Dear Steve,

Attached on behalf of Orchard Ranch LLC (Orchard) is an *Amended Application for Permit*, and an *Amended Application for Transfer* to remove federal public land from the legal description of the place of use. The inadvertent inclusion of public land was discovered when the USDI-Bureau of Land Management (BLM) filed its protest to application 63-32703. BLM has agreed to withdraw its protest when the amended application is accepted by IDWR.

As always, SPF will continue to coordinate our efforts with Orchard's attorney, Norm Semanko. Please contact SPF with any technical questions concerning these amended applications.

Sincerely,

Roxanne Brown
