REQUEST FOR EXTENSION OF TIME
TO PROVIDE ADDITIONAL TIME IN WHICH TO SUBMIT PROOF OF
BENEFICIAL USE FOR A WATER RIGHT PERMIT

The Idaho Department of Water Resources will consider this form as a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code in which to complete development of a water right and file proof of beneficial use of water. There is a **FILING FEE** of \$50.00 to be included with this form when filed with IDWR.

Permit No. 55-13885 Date Proof is Due: August 1, 2011
Name(s) of Permit Holder: THUNDER MOUNTAIN RESOURCES INC.
Address: 1239 Parkview Dr. City ELKO State NV Zip 89801
Telephone No. 775-753-9414 Email: mpl@givenspursley.com (attorney)

Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

During 2010 the following work was completed:

1. A spring box was placed in the camp spring.
2. Construction of a cattle exclosure fence was started.
3. Work on the camp cabins was ongoing in order to make the three cabins usable.

Costing \$ \$1,500.00

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

There still is snow in the mining camp from the 2010-11 winter. In addition, the road currently is washed out following the 2010-2011 winter, which TMRI plans to repair when the snowpack sufficiently diminishes. These factors will not allow TMRI to complete the work by August 1, 2011.

Permit holder(s) request an extension to August 1, 2016.
