RE: Notice of Change in Water Right Ownership

Dear Water Right Holder:

The Department of Water Resources is in receipt of your change in water right ownership. The water rights were split as follows:

H & H Farms Ltd Partnership	Wybenga Dairy LLC
45-2250B	45-14344
45-2496	45-14345
45-2647	45-14346
45-4100	45-14347
45-13571	45-14348
45-13760	45-14349
45-13762	45-14350
45-13764	45-14351

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Each water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
