RE: Water rights 43-4112, 43-2325, 43-2009, Cleft of the Rock Farms.

Dear Sir,

On June 28 2011, I received a Notice of Security Interest from your firm for the Cleft of the Rock Farms. The security interests were processed for 43-4112 and 43-4325 but water right 43-2009 has been abandoned pursuant to a transfer, so I didn't process it. Also, I have not received an ownership change form from the new buyers so I cannot change ownership of the water rights at this time. I have enclosed copies of the water rights

Since water right 43-2009 is an abandoned water right as of 05/25/2011, I didn't process the security interest for that right. Twenty five dollars will be return by a separate check by fiscal to your firm.

Thanks for your time and if you have any question please contact me at (208)736-3033.

Sincerely,

Carrie Hahn
