RE: Assignment of Permit for Water Right No. 95-11366

Dear Water Right Holder:

The department acknowledges receipt of the assignment of permit for the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department or visit the Department's homepage at (<http://www.idwr.idaho.gov>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
