RE: Change in Ownership Water Right No. 13-7438, 13-7713, 13-7715 & 13-7717

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right

As per our conversation on July 11, 2011 please find enclosed a map showing the Place of Use of the water rights in question and the property owned by E & H Land and Elliot. Water right numbers 13-7713, 13-7715 & 13-7717 appear to require a split; the place of use is not entirely covered by your legal description.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The department acknowledges receipt of \$100.00 on July 21, 2008, however 3 water rights will require a split so an additional fee will be required. The total required to complete your request will be \$325.00, so an additional \$225.00 will be required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

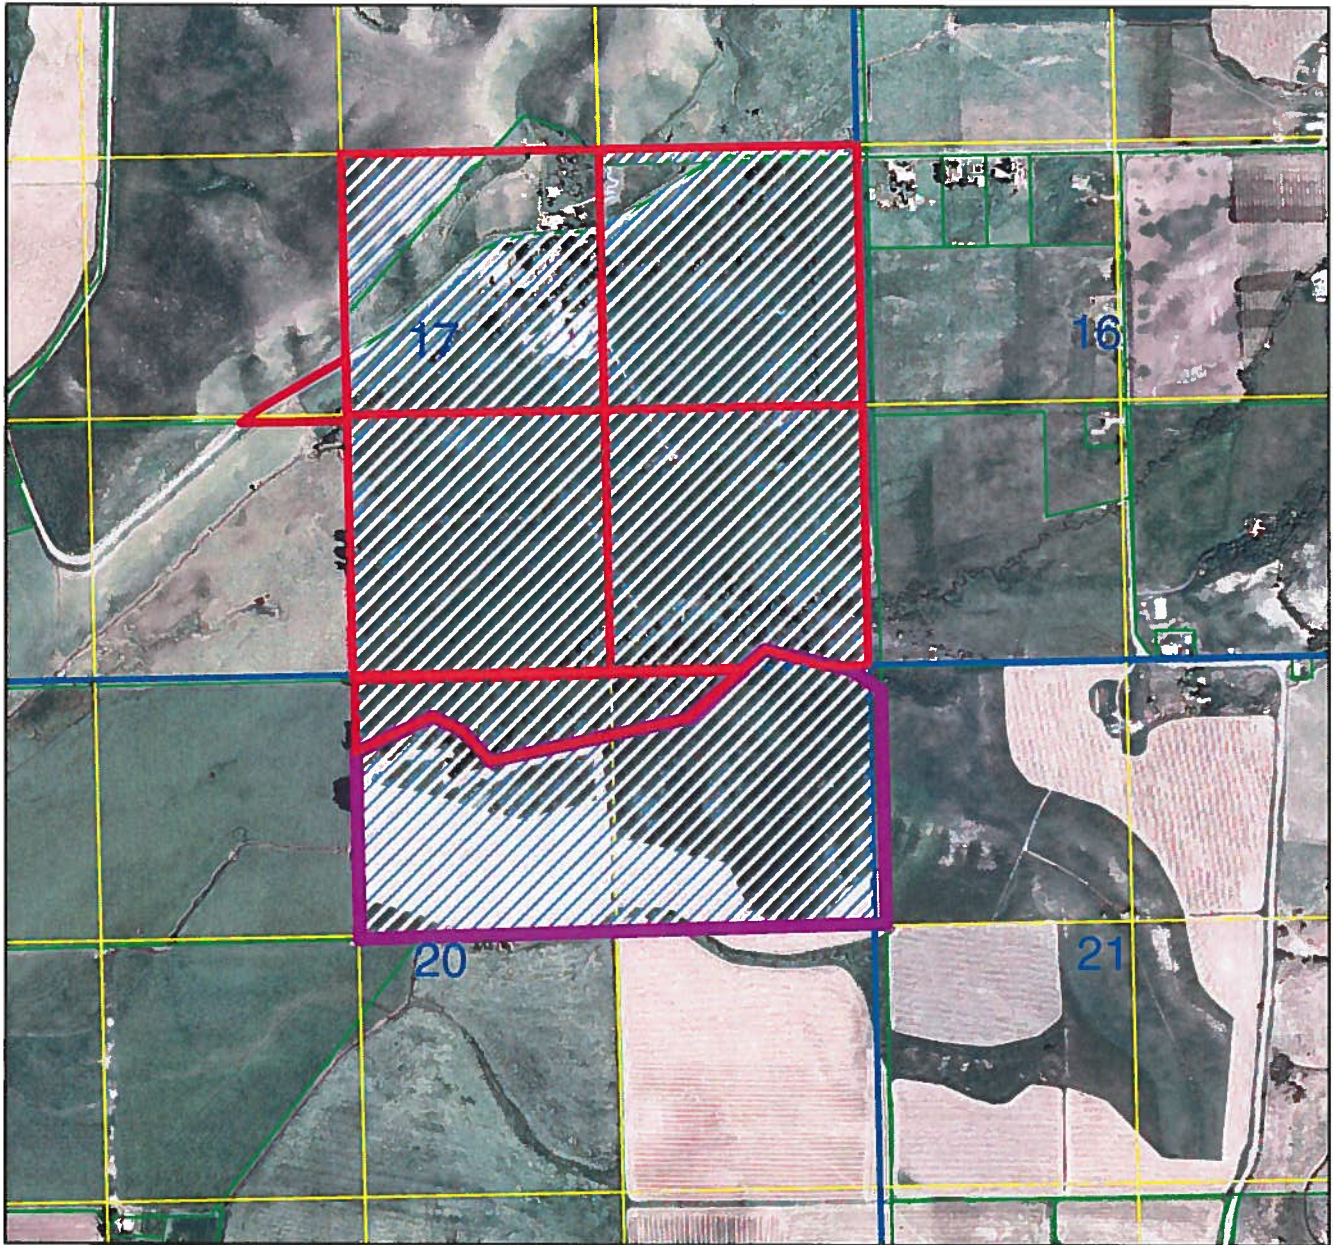

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
