Re: City of Rexburg and BYU-Idaho Water Banking Applications

Dear Reviewing Agent,

Brigham Young University-Idaho has agreed to lease water right no. 22-4130 and the use of its point of diversion to the City of Rexburg to use as irrigation water through the municipal water system. A copy of the Lease Agreement is enclosed.

Also enclosed is an Application to Lease this water right to the Bank from BYU-Idaho and an Application to Rent this right from the Bank for the City's use as described.

The Applications propose a leasing and renting period of 5 years.

Please call our office with questions.

Respectfully,
