Hi Kristin,

We received this lease/rental combination and I had the opportunity to speak about it with Pam Skaggs earlier today. It's a unique situation and I wanted to discuss how we've resolved this types of transactions before. Pam advised me that in transfers we have requested maps outlining the area proposed to be irrigated via the application. If you can provide a map showing 133 acres of irrigation occurring within the City of Rexburg service area, I think that clears the obstacles on this one. I can give you 14 days to provide a map. Please call if you have questions. Thanks!

Monica
