Garrick,

By copy of this email I'm asking Craig to review the file, draft the license, and schedule a meeting for us (you, Craig, Jeff, me) to discuss it before it is signed. I'll be out next week, so we'll shoot for some time after July 4.

Thanks.

If we are ready to issue the license, I would like to go ahead and move forward. Can we call this one up now and work on it? I have a SRBA hearing on July 20th and I appreciate it if we could issue the license before then. I recommend Jeff's option #3. I would like to discuss the facts behind this one before we issue it, though. I fully expect the license to be challenged in district court.

Garrick,

The file is on call-up for November. IDWR has not issued a license. I don't recall what the issue is. Something about the priority date. In correspondence from 2007, Jeff suggested the following options:

- IDWR could leave it as is and wait for direction from the SRBA court.
- IDWR could issue a license with the condition providing for SRBA review.
- IDWR could issue the license without the condition and you (Jo Beeman) could appeal it to district court.

Hi Shelley,
I'm trying to track down the status of this license. Can you or someone in your group give me an update on it?
Thanks,
Garrick
