Subject: Thornton Permit Amendment Approvals

John,

Thank you for the recent approvals for amendments 63-12253, 63-12254 and 63-12255. I had a question regarding the limited volume conditioned on the 63-12253 and 63-12254 approvals.

63-12253 proposed 139 acres. At 4.5 af/ac, volume equates to 625.5 afa. The condition limits volume to 622.5?

63-12254 proposed 537 acres. At 4.5 af/ac, volume equates to 2416.5 afa. The condition limits volume to 622.5?

Do I need to file a petition for reconsideration?

Thanks John.
