RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK

Dear Applicant:

On May 16, 2011, the Department received your Application to Rent Water from the Water Supply Bank. You requested 3 acres of irrigation with a source of springs tributary to the East Fork Big Wood River. I am returning the application to you because there are no water rights available from the Water Supply Bank to rent to you. The Department must review all rental applications in accordance with the Water Supply Bank Rules (known as IDAPA 37.02.03). No leased rights are available that would allow you to rent and meet those criteria.

If you have any questions, please feel free to call me at (208) 287-4907.

Sincerely,

Monica P. Van Bussum
Sr. Water Resource Agent
