Mr. Blaisdell;

It was a pleasure speaking with you on the telephone this afternoon, as we discussed I am sending you two revised applications for the "Notice of Diversion as an Alternative to instream stockwater use".

The changes I have made are as follows;

1. Changed the name of the right holder to – Ron Blaisdell or Tod Danials or Potter Ranches or John Wittman. This change authorizes any of the listed individuals to sign as an owner of the water right.
2. Corrected the ending point for both the North and South diversions.
3. Corrected the places of use for the North and South diversions.

Please double check the corrections, sign page three of each application and return to my attention. If you have any questions please let me know.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Kerrie'.
