RE: Water Supply Bank Lease for Water Right 37-38 and 37-404A

Dear Mr. Hinkle:

Our office has received a request from Smokey Dome LLC to lease all of his water rights, water right numbers 37-38 and 37-404A, to the Water Supply Bank. The Water Supply Bank lease requests to place all of both of these water rights into the Bank. I have attached a copy of the water right proof reports and a map showing the location of the water rights for your information.

We would appreciate it if you could return any comments you may have concerning this proposed Water Supply Bank lease by June 30, 2011.

If you have any questions or concerns please contact me.

Respectfully,
