Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$25 per permit - the department acknowledges receipt of \$25 with your application, but the filing fee will be \$25 per assignment - Blackhawk Ventures LLC to Blackhawk Homeowners Association Inc and Iron Rim Ranch Homeowners Association Inc, will be 2 Assignments the filing fee will be a total of \$50, an additional \$25 will be required.

**** **Additional Information** for Assignment of Permit - Describe in detail the portion of the permit assigned to each new owner, **listing the number of acres in each 40 acre quarter quarter**, point of diversion location, and amount of the water in cubic feet per second, please describe in more detail than percentages only.

Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed are two assignment forms for your use. Please note that there is a \$25 filing fee required.

If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.
