Subject: Discovery deadlines

James,

The discovery order issued in the case dealing with the Board's right no. 37-7842 was issued when we had the hearing set for May 26th, with all of the deadlines set in May. As a result of the change of hearing date to June 23rd, Joe James and I have agreed to move those deadlines back a bit. The State's responses to Petitioners' discovery requests are due on May 31st, and we have agreed to set the deadline for disclosing witnesses and exhibits for June 13th.

Thanks! Shasta
