**RE: Correction on Point of Diversion Description for Water Right No. 35-13966
which is subject to Transfer 77201.**

Dear Blake:

It has come to my attention that one of the water rights subject to Transfer No. 77201, which is Water Right No. 35-13966, has a $\frac{1}{4} \frac{1}{4} \frac{1}{4}$ description of the SE $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25, Township 1 South, Range 34 East, which was decreed in the SRBA. As you know, all of the other water rights have the $\frac{1}{4} \frac{1}{4} \frac{1}{4}$ description for this particular point of diversion at the SW $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$. All of the water rights after the transfer should have that consistent legal description. Please include this correction in the transfer approval.

If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
