Travis,

I hope you're enjoying your week away from the office. When you get settled back in, I'd like to discuss the Dry Lot application. Please call when you can.

Thanks.

Shelley,

Please review Travis Thompson's request for an additional condition on the Dry Lot permit. I'll stop by for discussion in a few minutes.

Aaron,

It's my understanding that Chuck Brockway has been in contact with you regarding finalizing the conditions/remarks on Dry Lot's permit 37-22252 and that Shelley will be back in the office next week. We have one more request if IDWR would include the following condition:

1. This right is jointly owned by each member of the right holder as such membership may change from time to time.

This would help clarify the case where a member moves or sells his home, so that the new owner would be covered as the successor. Please call me if you have any questions. I will be out of the office all next week, but I believe Chuck will be available.

Thanks,
Travis
