RE: Change in Ownership Water Right No. 74-1019 & 74-1020D

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy, or other legal document indicating your ownership of the property and/or water rights in question

Water right number 74-1019 appears to be ok to data enter. During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for water right 74-1020D. According to the legal description on the deed provided with your application you did not purchase the entire place of use of water right number 74-1020D. Unless you have another deed indicating you own the entire place of use of the previously mentioned water right, a split will be required. If you believe you do own the entire place of use of the water right please supply a copy of the recorded deed for the remaining portion of the water right not included on the deed recorded as instrument number 284875. The department also acknowledges receipt of \$50 under receipt number E036356, so an additional \$75.00 will be required to complete your application.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
