RE: Permit No. 95-9148

Dear Mr. Poorman:

The department acknowledges receipt of an assignment of permit for the above referenced water right. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report.

Also listed on the Assignment of Permit form submitted on May 27, 2011, are water right numbers 95- 9196, and 95-9381. These two water right permits are not in the names of Marvin and Sharon Erickson. A permit is considered personal property and can only be conveyed through assignment to a new owner by the permit holder.

The fee you paid at the time of filing this assignment was based on processing the three water right permits listed. Since the Department was only able to process one water right permit, \$50.00 will be refunded to you. You should receive a State of Idaho check in the amount of \$50.00 in about 10 business days under separate cover.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,
