Dear Mary Baldwin:

Enclosed please find an "Application for Permit", and an "Application for Drilling Permit", that I have completed in behalf of the Petersen Family Trust. Idaho Department of Fish and Game (IDFG) are negotiating several water conservation projects on Bayhorse Creek, which will improve fish passage. IDFG will be paying the application fees. I would appreciate it if you would initiate the Interagency Billing process for the applicable fee of \$270.00, \$200.00 for the drilling permit and \$70.00 for the water rights application. When processing this application use PCA 35790, and ABC code B6RA. Please send the billing documents to: IDFG Headquarters Office, Attention: Walton Poole, P.O. Box 25, Boise, ID 83707.

Sincerely,

Larry Weeks
