RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NO. 51-4037

Dear Lessor/Renter:

On April 25, 2011, the Department received your application to renew your rental for water for commercial bottling purposes. As you know, this was accomplished through a lease and subsequent rental of your water right. The original lease and rental covered the period from September 1, 2009, to August 31, 2010. In March of 2011, you applied to extend your lease through August 31, 2012. On April 25, you applied to extend the rental an additional year, or presumably through August 31, 2011.

It was our understanding that you were applying for an additional rental year so you could file for a transfer with the Department to gain permanent authorization for the commercial bottling plant. The Department had delayed processing your rental application to allow time for the transfer to be filed. As of this date, no transfer has been filed and we have still not processed your rental application. It is to your benefit to file for a transfer as soon as possible so this use can continue to be authorized.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
