RE: Notice of Change of Address for Water Right No (s) 31-10116 & 31-10117

Dear Mr. Nelson:

The Department acknowledges receipt of your application changing the address of the above mentioned water rights. Your application is being returned unprocessed. According to the department's records the current owner of these water rights is Bunker Hill Farms LLC at the new mailing address indicated on your change form. If the current owner should be listed as Robert and Donna Bybee a Notice of Change in Water Right Ownership Application will be required. Please find a copy of that application enclosed.

Please find enclosed a computer generated report for your review. Please review the form and if there are corrections or questions, feel free to contact this office.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to report these changes within 120 days could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Respectfully submitted,
