**RE: APPLICATION TO LEASE WATER RIGHT NO. 45-690, 45-691, 45-7004, 45-7186A
AND 45-13904 TO THE WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease 45-13904 to the Water Supply Bank ("Bank"). The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

45-13904 will automatically be released from the bank on **December 31, 2015**, unless it is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release 45-13904 from the Bank, you must submit a request in writing to the Department prior to the release date.

You had originally submitted the lease application for 45-13904 along with lease applications for proportional amounts of 45-690, 45-691, 45-7004 and 45-7186A. Upon further review, we determined it was not necessary to lease portions of those associated rights. I apologize for any inconvenience or confusion.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
